

SAN MARCO KNIGHTS OF COLUMBUS

Wishes To Say

THANK YOU

To all residents, business establishments and organizations who attended, participated or donated to our fund raisers for their support

We also thank our Knights, Columbiettes, and other Parish members who have contributed many hours of hard work and creativity to make these events happen

These contributions distributed to local, state, and national organizations helped to feed and shelter the poor, improve education, support vocations, aid those needing help to overcome various issues, aid intellectually challenged children, aid children suffering from cancer, assist all our first responders and improve the quality of life on Marco Island
